Charity Spotlight HATS OFF FOR CANCER

After Hats Off for Cancer founder Tara Lawrence lost her grandfather to cancer in 1992, she began volunteering for the American Cancer Society and found that children were self-conscious about the hair loss that often resulted from cancer treatments. This inspired her to start HOFC, which has been collecting all kinds of hats since 1996 for children with cancer. The group, so far, has donated more than 1 million hats! GUAGE

Gauge is not essential for this project

FINISHED MEASUREMENTS

Scarf 6"/15cm at its widest point by 60"/152.5 long

NOTES

Scarf is worked back and forth in rows lengthwise. Circular needle is used to accommodate large number of stitches. Sashay yarn is a unique, flat, ribbonlike yarn in which you insert your needle along its length. You work only with the edge, thereby creating a ruffle on the opposite side of the work with the remaining width of ribbon. Cut yarn every row, leaving a 4"/10cm

tail, because carrying the yarn up the side of your work can be challenging. Sew tails on WS to secure when piece is finished.

SPECIAL TECHNIQUE

Casting On and Working with Sashay Yarn

Open up width of Sashay ribbon. Leave 4"/10cm tail for securing later. Insert tip of needle from back to front in first loop along long edge (1 st picked up), *skip a loop and pick up a st in next loop; repeat from * for required number of sts.

Continue to knit with loop along edge of Sashay, skipping loops between each st to create a ruffle on opposite side of work.

SCARF

With A, pick up 200 sts along edge loops.

Rows 1–2 + Change to B and beginning with RS row, work 2 rows in St st.

Row 3 + [K2tog] 5 times, knit to last 10 sts, [k2tog] 5 times—190 sts. Cut B.

Row 4 + Join A and knit. Cut A.

Row 5 + Change to B, [k2tog] 5 times, knit to last 10 sts, [k2tog] 5 times—180 sts.

Row 6 + Purl.

Row 7 + [K2tog] 5 times,

knit to last 10 sts, [k2tog] 5 times—170 sts. Cut B.

Rows 8–23 + Repeat Rows 4–7 until you reach 90 sts.

Do not cut B on last row.

Row 24 + Join A and knit. Cut A.

Bind-Off Row Slide sts to opposite end of needle. With B, bind off.

FINISHING

Weave in ends. Turn ends of Sashay to wrong side and sew with matching thread. Trim ends. 

knit note!

It was easy (and fun) to work with the yarn. For a quick start, search "knit with Sashay" on www.redheart.com for a how-to video.

"This garment style is universally flattering on all body types. For small-busted women, it creates the illusion of one, and for full-busted women, it doesn't bind the chest, thereby creating the illusion of just one breast. For those with a great waistline, the cross-front sweater shows it off, and for those with no waistline, it creates one."

Getting the Right Fit Part 1

Before you pick up a pattern, read these tips for achieving the perfect fit for your knit.

Many knitters make a garment only to find that it exposes their belly button, accentuates a large chest, or makes petite arms look downright simian because of its long sleeves. There are measures that you can take to avoid this, from implementing a few little tricks to rewriting the pattern. But before you head for the graph paper, you need a firm grasp of the basics. In this first part of our series, we'll concentrate on measurement and ease. In our next issue, we'll move into adapting an existing pattern.

In an effort to be all-inclusive, designers often

size patterns from 2 to 22. At a department store, those garments would be in three departments and tailored differently for petite, average, and plus-size bodies. Imagine how difficult it is to design a pattern that is all things to all people.

Conversely, you certainly know how difficult it can be to find a pattern that fits the way you would like it to. But armed with your precise measurements and the knowledge of how ease plays a role in a garment's fit, you can feel more confident that the project you're knitting will fit you.

Measure for Measure

Before you set foot in a yarn store or choose a pattern, it's essential to take precise body measurements (see our Measurement Guide for standard guidelines). Instead of playing a game of Twister with your tape measure, enlist the help of a friend to ensure your numbers are correct.

Because you will be adding ease yourself—more on that shortly—it's important to get true body measurements. You should be wearing your Skivvies or close-fitting garments. And the measuring tape should be taut, but not restrictive or gaping. Note that if you plan on significantly altering patterns, you may want to seek out a professional, such as a seamstress.

ment will fit (see "Standard Garment Ease," lower left). The more "positive ease" a garment has, the looser it is. Likewise, if a pattern advertises "negative ease," count on it being form fitting.

To determine which size to knit or to find out how close-fitting a garment is, compare a pattern's "finished garment" measurements with its "to fit" measurements. The difference between the two is the ease of the pattern.

With essential numbers in hand, plus knowledge of ease and its importance, you can seek out a pattern that will realistically fit you as is, or with a little tinkering.

Also, you can determine whether you should knit a bigger or smaller size. Most important, you can avoid finding out the fit of a garment after you've put hours of effort into making it.

Stay tuned for technical information on adapting patterns to your body's measurements, which we'll tackle in the next issue. **K**

STANDARD GARMENT EASE

Add the following amount of ease to your body measurements depending on your desired fit.

Tight	→ Negative ease
Very close fitting	→ Actual chest/bust measurement
Close fitting	→ 1-2"/2.5-5cm
Standard fitting	→ 2-4"/5-10cm
Loose-fitting	→ 4-6"/10-15cm
Oversized	→ 6"/15cm or more

Adapted from the Craft Yarn Council's standards

Ease to Please

Because you're starting with precise body measurements, you'll want to add what's called "ease." Ease dictates how many inches you add to your body measurements to determine how a gar-

STOCKINETTE STITCH

On straight needles, alternate knit and purl rows.
On circular needles, knit every row.

SEED STITCH

(Over an odd number of stitches)
Row 1: K1, [p1, k1] to end.
Repeat Row 1 for Seed st.

Recommended Yarn Substitutions

To use a yarn that is different than the one listed in a pattern, just check the yarn weight symbol for the recommended yarn and choose another with the same weight. Here are Knitting Today!'s suggestions for appropriate substitutes.

Note: When switching yarns, always do a gauge swatch with the new yarn and adjust your needle size if necessary.

KNITTING NEEDLES

- ♦ 1 pair size 8 (5mm) knitting needles or any size to obtain gauge
- ♦ 1 set size 8 (5mm) double-pointed knitting needles for I-Cord border

NOTIONS

- ♦ Yarn needle

FINISHED MEASUREMENTS

Each Block 10"/25.5cm by 10"/25.5cm

Finished Blanket 50"/127cm by 50"/127cm

GAUGE

20 sts and 22 rows = 4"/10cm in Stockinette st working in Chart patterns

Remember to check gauge for best results!

NOTES

Use the intarsia method of knitting, using a separate ball of yarn for each large block of color. Pick up new yarn from under old to twist yarns and prevent holes. Top and bottom borders are worked in one piece. Side borders are picked up afterward. Blocks are blocked and then sewn together in rows. An I-Cord border is worked in Seed st around entire Blanket.

PATTERN STITCH

Seed Stitch

(Multiple of 2 sts)

Row 1 ♦ *K1, p1; repeat from * to end of row.

Row 2 ♦ Knit the purl sts and purl the knit sts as they appear. Repeat Row 2 for Seed st.

BLOCK

(Make 1 of each chart)

With B, cast on 42 sts.

Work in Seed st for 3 rows, end with a WS row.

Row 1 ♦ Beginning with Row 1, work 46 rows of Chart.

Change to B and knit 1 row on RS.

Work 3 rows in Seed st. Bind off in pattern.

Side Borders

With RS facing and B, pick up 42 sts along side edge.

Work 3 rows in Seed st.

Bind off in pattern.

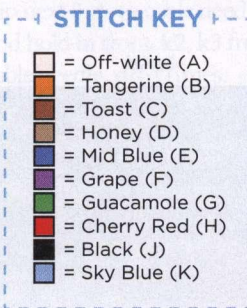

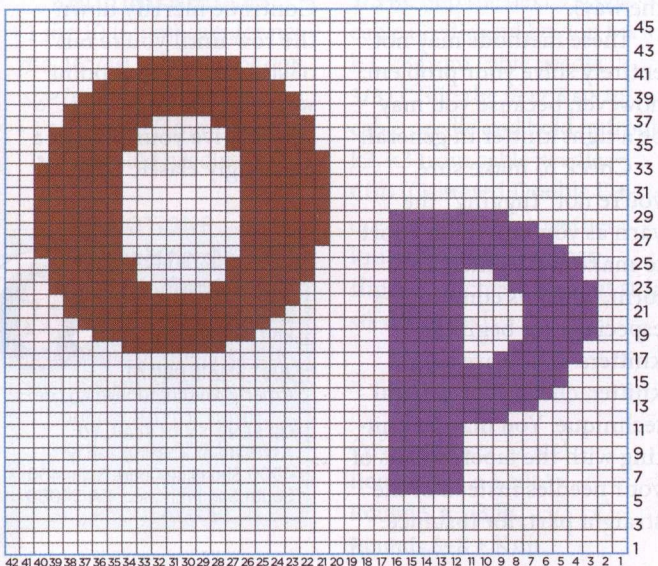

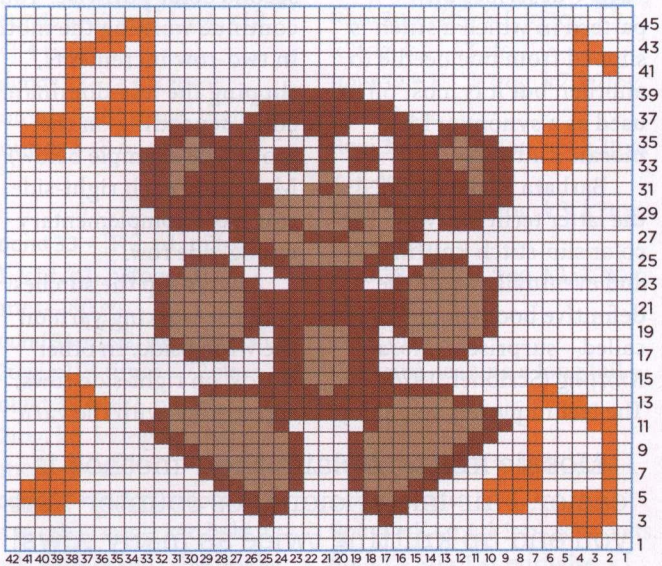

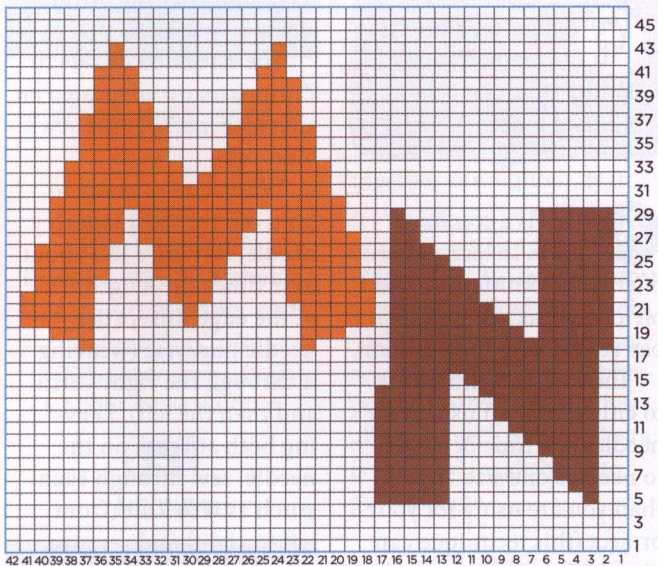

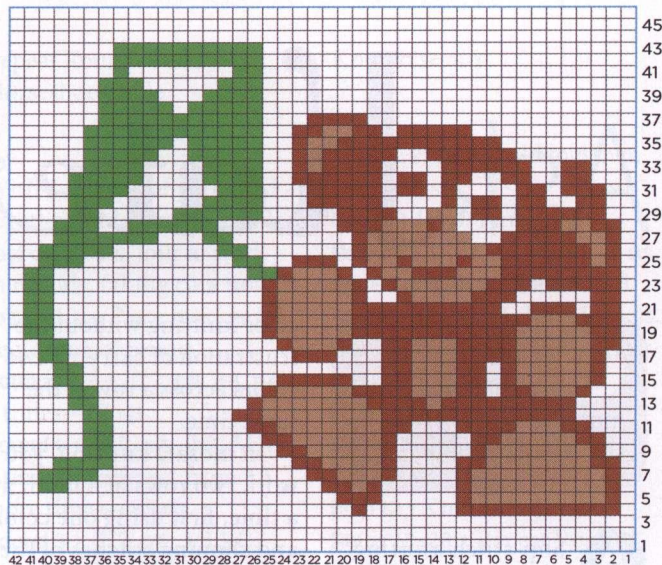

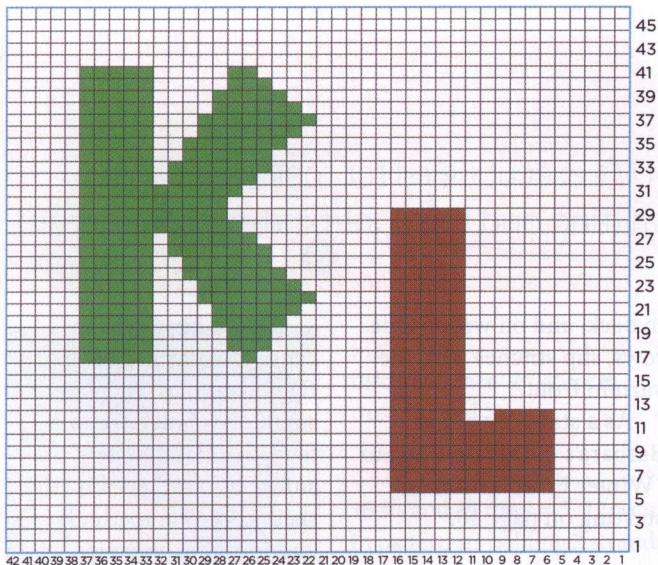

Repeat along opposite side edge.

FINISHING

When all 25 Blocks are finished, lay out as shown in photo.

Ask Kate

KT!'s executive editor tackles mosaic knitting and the tight-bind-off conundrum.

Q What is mosaic knitting and what makes it different from slip-stitch knitting?

A Slip-stitch knitting describes any pattern in which a stitch is slipped from one needle to another, but it is most often used as a synonym for mosaic knitting.

Barbara Walker coined the latter term for two-color slip-stitch knitting and eventually wrote the definitive book on the topic called—surprise!—*Mosaic Knitting* (Scribner, 1976). The technique lets you enjoy

color knitting without the frustration of carrying two colors across a row at the same time.

In mosaic knitting, you work two rows of a motif at a time, first using one color and slipping stitches of the second color purlwise. You continue working the motif in two-row increments, slipping the less-dominant color depending on the motif (see example below). Make sure each right-side row has a complementary wrong-side row.

Always slip the stitches with the working yarn on the wrong side. In other words, on right-side rows, slip stitches with the yarn

in back, and on wrong-side rows, slip stitches with the yarn in front.

As a start, try one of Barbara's motifs used in our "Winter Frost" patterns, starting on page 40.

Q I have a tendency to bind off too tightly. How can I bind off more loosely?

A This is a common issue. In fact, patterns often direct knitters to "bind off loosely" as a reminder to pay attention to their tension.

The easiest technique is to either bind off using two needles at a time or switch to needles one size larger than you are using for your project (this technique can also work for casting on, by the way).

These methods may not entirely solve your problem, however, because you may be a tight knitter in general.

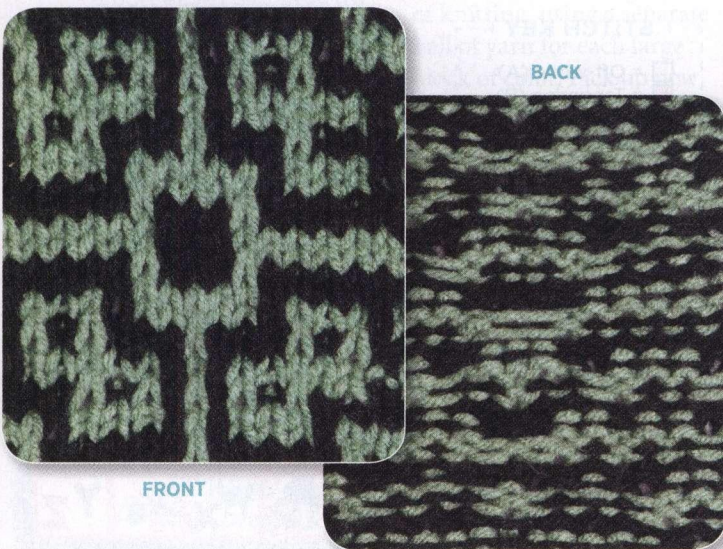

Check to make sure you're not "tugging" the yarn as you knit in an effort to make every stitch uniform, which is common—especially for beginner knitters. If you are a tight knitter, check your general technique. You may be knitting with the tapered ends of your needles instead of the straight part, for instance.

A tight bind-off can cause mismatched seams, tight armholes, and a too-small neck hole, to name a few potential disasters. So suffice it to say, even trying these common methods and focusing on your technique may not always achieve your goal.

The esteemed Elizabeth Zimmermann advocated an alternate method, the sewn bind-off.

When you're ready to bind off, thread a tapestry needle, leaving a tail about four times the length of the edge. Insert the needle purlwise (weaving it through the right stitch and then the left). Leaving both stitches on the needle, sew through each stitch as if to knit (from left to right) and remove the stitch from the needle. Continue merrily down the row until you're out of stitches. At that point weave in the end. This should give your project a pleasingly elastic edge. ✂

Mosaic knitters claim their method is easier. Fair Isle aficionados counter that you end up knitting twice as many rows!

GAUGE

22 sts and 24 rows = 4"/10cm in Granite st using larger needle
Remember to check gauge for best results!

NOTES

Trim of Hat is worked back and forth in rows in Double Knit st, knitting every other st and slipping stitches in between to make 2 sts of a tubular piece. Then sts are joined to work in the round on a circular needle. Change to double-pointed needles as sts allow.

SPECIAL TECHNIQUES

Figure-8 Cast-On With circular needle points parallel and facing in same direction, wrap yarn around them in a figure-8 for required number of times, pull through bottom needle. On first row, work 1 st from one needle and the next st from opposite needle to combine sts onto a single needle. On either the top or bottom half of sts, the sts will be twisted the wrong way, so remember to knit into the back loops when you encounter twisted sts.

SPECIAL ABBREVIATION

S2kp2 Slip 2 stitches together as if to k2tog, k1, pass 2 slipped stitches over the k1 (2 stitches decreased).

SPECIAL TECHNIQUE

3-Needle Joining Slip stitches from Front Shoulder onto one needle and stitches from matching Back Shoulder onto separate needle, with needles

parallel and needle tips pointing in the same direction. With right sides together, holding needles in left hand, insert third needle into first stitch on front needle, then first stitch on back needle, and knit these 2 stitches together. *Knit next stitch on each needle together in the same manner; slip the first stitch on the right-hand needle over the last stitch to bind off one stitch. Repeat from * until one stitch remains on the right-hand needle. Fasten off.

BODY

With longer circular needle, cast on 192 (208, 224, 240, 256, 272, 288). Join to work in rounds, taking care not to twist sts. Place marker for beginning of round.

Work in St st until piece measures 1"/2.5cm.

Setup Round + [K48 (52, 56, 60, 64, 68, 72), place removable marker on last st worked; k47 (51, 55, 59, 63, 67, 71), place regular marker, k1] twice.

Decrease 8 sts every 12 rounds 9 times, as follows:

[K1, k2tog, knit to 1 st before marked st, s2kp2, replacing marker on resulting st, knit to 3 sts before next marker, ssk, k2] twice—120 (136, 152, 168, 184, 200, 216) sts.

Work even until piece measures 19.5"/49.5cm, removing removable markers on first round.

Next Round + Knit to marker, ssk, replacing marker after ssk, knit to marker, remove marker, ssk—118 (134, 150, 166, 182, 198, 214) sts.

Divide for Armholes

Next Row + (RS) Bind off 3 (3, 4, 5, 6, 7) sts, work to marker for Back, slip next 59 (67, 75, 83, 91, 99, 107) sts to a st holder or waste yarn for Front—56 (64, 72, 79, 86, 93, 100) sts.

SPECIAL TECHNIQUES

Knitted Cast-On Make a
slipknot and place it on the
needle (first cast-on st);
*knit into this st and place
loop on needle in front of
st; repeat from * until re-
quired number of sts have
been cast on.

Locking Join Overlap first
and last 2 sts of row over
one another, with first 2 sts

in front and last 2 sts in
back. Yarn should be com-
ing from last st and should
be held behind work. In-
sert spare size 15 circular
needle into st below first
st on front needle, then
into st below next-to-last st
on back needle, draw up a
loop through both sts and
place it on front needle.
Knit first 2 sts on front
needle together. Insert
needle into st below first st
on front needle, then into
st below last st on back
needle, draw up a loop
through both sts and place
it on front needle. Knit
first 2 sts on front needle
together.

SPECIAL TECHNIQUE

Working Mosaic Pattern Charts

Work Mosaic patterns by slipping stitches one color at a time to create two-color knitting. Work two rows, one RS row and one WS row, in an identical color scheme, which is represented by a single row on the chart and makes one "row" of the pattern. Knit the RS rows and purl the WS rows. Stitches should be slipped purlwise wyib on RS rows—which are knit—and wyif on WS rows—which are purled. The working color for a specific row of the motif is specified by the color of the first or last square on the chart. For example, Row 1 of the chart begins with a color D square, so that row and the subsequent WS row are worked with color D. In the case of Row 1, knit the color D stitches and slip the color A stitches; for Row 2, purl the color D stitches and slip the color A stitches.
